Justin, D'Arcy, and I are unable to remain on the board executive and we are all seeking other community leaders to take these positions. There are also other board positions available to support the league governance. I'll be available to cross-train the President & Vice-President roles to support a smooth transition into the 2026 ball season. If you're interested or require additional information, please contact your district representative, myself at c_g_moser@hotmail.com or call my cell at 780-242-3191.

Thank-you for your consideration,

Chris.

LMBL President
